CHAPTER 1 : THE DECISION

THE VIKING CHIEFS ARE STANDING AROUND THE TABLE ON THE LONGBOAT DISCUSSING THE CURRENT SITUATION WHILE THE BOAT ROCKS SLOWLY BACK AND FORTH.

EIRIKR BLOODAXE *
Harr, harr! Our coffers are
empty, great chief, and the crew
is getting restless.

VALDIRBRAND GREYBEARD *
Our destination is the forgotten
island of Erisegg with the most
beautiful Viking women this side
of Valhalla, and they are said to
have chocolate! We cannot afford
to falter our course!

RAGNARR THE GRIM
But...

VALDIRBRAND GREYBEARD *
HEY, no slacking back there! Or
else there will be no fighting
before bedtime!

of Erisegg!

CHAPTER 2 : THE TREASURE HUNT

THE VIKING LONGBOAT TAKES ASHORE AND THE VIKINGS ARE JUMPING HAPPILY OUT AND A BAND OF VIKINGS SETS OUT TO EXPLORE THIS NEW LAND

EIRIKR BLOODAXE
Let's find some treasure!

*

The Vikings are exploring the new land and find a huge cave. Through a crack in the stone they see a lot of treasure.

They all run into the cave

2 seconds later they all come running out, with a big dragon at their heels.

SPECIAL EFFECT: VIKING RAISES HIS SHIELD AGAINST THE DRAGONS FIRE, BUT GETS BURNED TO THE BONES

The Dragon kills many Vikings, but some manages to run away.

EIRIKR BLOODAXE
Let's run around the mountain and attack this beast from behind!

*

OTHER VIKINGS
Ai!

The remaining Vikings start running around the mountain but ends up in the middle of a Troll camp!

*

The Trolls captures several Vikings with clubs and nets.

TROLL CHIEF
Hmmm... We will have man flesh stew tonight!!

Some Vikings manages to run away.

EIRIKR BLOODAXE
Ai, ai, we are too few to fight both Dragon and Trolls. We must go back and tell of our battles and the courage of our fallen ones.

EIRIKR BLOODAXE (cont'd)

The Chief will know how to get
the treasure and release our
captured friends before dinner
time!

BACK AT THE LONGBOAT A GROUP IS GATHERED AROUND GRÅSKJEGG
AND BRAGIVARR THE DRUID.

Alternative

TELLER

And as always VALDIRBRAND
GREYBEARD had a brilliant plan
made of solid and simple Viking
logic; build a giant machine to
scare the Trolls into the Dragons
lair.

Pick me, pick me!

BRAGIVARR THE DRUID

OK you!

BRAVE VIKING
(Runs past Druid towards
the giant machine)
Fame and fortune here I come!

The Druid raises his axe and cuts off the Brave Vikings
head. His helmet bounces on the ground.

BRAGIVARR THE DRUID
(Holds up the Brave
Viking's brain)
Aha, the last part... a brain!

BRAGIVARR THE DRUID mounts the scaffolding around the Giant
Machine and puts the brain in place.

CHAPTER 2 : THE COUP

Stå opp din gris, stå opp din
